

# Are you a **DAILY DISPOSABLE** contact lens wearer?

## Purpose of study:

We are looking for daily disposable soft contact lens wearers willing to give us their views on contact lens wear and care advice, so that we can develop a new questionnaire to improve contact lens instructions and reduce the risk of getting serious eye problems

## **Inclusions, you must be:**

- An existing soft daily disposable contact lens wearer
- Aged 18 years or older
- Speak and understand English fluently
- Able to access the Internet and Microsoft Teams

**Exclusions:** Optical industry professionals including eye care practitioners and optometry students

## What would I have to do?

Attend an interview, up to 60 minutes long, to be held by 17th February 2025

## What's in it for me?

Your views will be kept anonymous  
You will receive a £10 gift voucher to compensate for your time
