

23rd March 2025

To all GOS Contractors and Performers in the Buckinghamshire LOC area

Notification of Annual General Meeting

The annual general meeting of Buckinghamshire Local Optical Committee will be at 8.00pm on 28th April 2025. Like last year, we won't be holding a physical meeting; instead you will have the opportunity to pose questions, nominate and vote for committee members, and vote for the resolutions, online.

According to the constitution, half of the elected committee members shall be local contractors (or their appointed representatives), and half shall be local performers. Elections take place at every AGM, and this year we will have two vacancies – one for a contractor and one that can be either a performer or a contractor. One current committee member, who has completed his three-year term, has indicated that he is willing to stand for re-election. Another committee member is retiring and will therefore be stepping down. Please note that only contractors and performers working in Buckinghamshire are eligible to vote.

The following papers will be available soon on the [Bucks LOC website](#) : 2024 minutes; 2025 agenda; chair's report; treasurer's report; committee nomination papers. Within the agenda, you will find this year's resolutions and the link to the online voting form.

Completed nomination papers should be returned to the LOC secretary by 15th April 2025, after which the names will be circulated. If you wish to be nominated for a position on the committee and would like more information, please contact the LOC secretary via email on buckslocinfo@gmail.com

Sonal Somaia
Secretary, Buckinghamshire Local Optical Committee
