

Armstrong & North

OPTICIANS AND HEARING CARE

Optometrist Job Opportunity

Family run Independent Group of Opticians looking for a fully qualified and enthusiastic Optometrist to join our team.

Location: South Molton, North Devon. EX36 3BU

Availability: Full Time / Part Time.

Salary: +£55K (Dependent on Experience and Ambition of applicant)

Benefits: Private HealthCare Plan, No Weekend Clinics, Free eyewear annually + more

About Us: Armstrong & North Opticians are a family-run Group of Opticians that started to provide eye care in the Bristol and South Wales area around 40 years ago. We have slowly grown to include areas of Bristol, Gloucestershire, Suffolk, Essex, Kent and more recently North Wales, Cheshire and North Devon. Our aim is to provide an independent family service for eye care and hearing care to the local communities in and around our practices. South Molton is the newest practise to join our family and is fully kitted with brand new state of the art Diagnostic equipment. The team consists of 2 very experienced and hardworking Reception / Optical Dispensers.

The Candidate: The ideal candidate must be fully qualified, registered with the GOC and have excellent clinical skills. They must be self-motivated and have the ability to work well within the team and lead by example. They will have access to advanced diagnostic equipment to enable them to offer the very best patient care. They will be required to carry out eye tests on patients of all ages as well as Contact Lens Assessments and Aftercares. The ideal candidate will be someone who is friendly and approachable and can provide training and support to all staff. We want someone who is customer focused with the ability to build rapport at every level but must also have a commercial mindset that can work to targets and want to have an input in increasing and developing our patient base.

To apply for this role or if you would like any further information, please contact Wayne on wayne.phillips@armstrongandnorth.com.
