## Cinapsis EeRS is offering further Referral options.

EeRS went live in the Black Country ICB in January 2024 for referral to Dudley Hospitals and in May for Walsall Hospitals. Sandwell and Wolverhampton hospitals will be going live In June.

Over 80% of optical practices in Dudley and Walsall have signed up to use Cinapsis EeRS.

From June you will be able to offer your patients a choice of hospital by selecting a hospital from the choices provided to you. More options will become available as all the hospitals become live.

Select a provider organisation

- Sandwell and West Birmingham Hospitals NHS Trust (BMEC)
- The Dudley Group NHS Foundation Trust
- The Royal Wolverhampton NHS Trust
- WALSALL HEALTHCARE NHS TRUST

Simply select the preferred provider and upload (or enter) the referral information.

Please Note; Not every hospital offers every sub speciality service.
