

Newmedica Cheshire Oaks grand opening and CPD event

Targeting Quality and Patient Choice

2 point CPD event, lecture and discussion workshop

Through a lecture and workshop you will gain an understanding of the measures needed to make a safe environment for patients throughout a cataract pathway. Also to understand the importance of taking into account lifestyle factors, personality traits and prescription when discussing intraocular lens options with patients.

 **Wednesday 29th January from 18:00 - 19:30**

 **Units 3-4, The Oaks Office Park, Ellesmere Port, CH2 4HY**
